

# NURTURING PEAK PERFORMANCE

Building on existing strengths, fostering innovation, and preparing for future success

## KEY ACTIONS

### 01 CELEBRATE SUCCESSES PUBLICLY

- Host regular team lunches or fun events to build morale.
- Acknowledge wins in newsletters or team meetings.
- Create an Employee of the Month program with real rewards.
- Set up a "Wall of Fame" to highlight achievements.
- Consistently recognize both team and individual contributions.

### 02 CULTIVATE A CULTURE OF INNOVATION

- Set aside time for creative thinking or "hackathons."
- Collect and review staff suggestions for improvement.
- Build a safe space for taking risks and sharing bold ideas.
- Launch a structured innovation program with clear rewards.

### 03 DEVELOP FUTURE LEADERS

- Identify potential leaders and provide mentorship and stretch roles.
- Offer access to leadership training and workshops.
- Encourage team members to lead initiatives and projects.

### 04 INVEST IN CONTINUOUS LEARNING

- Give access to courses, conferences, and industry materials.
- Support team members in earning certifications.
- Allocate a clear budget for professional development.

### 05 PLAN FOR INDIVIDUAL GROWTH

- Hold regular 1-on-1s to align on personal career goals.
- Build custom development plans for each team member.
- Create paths for internal promotions and advancement.
