

Resident & Fellow Retention

FY25 Report Out

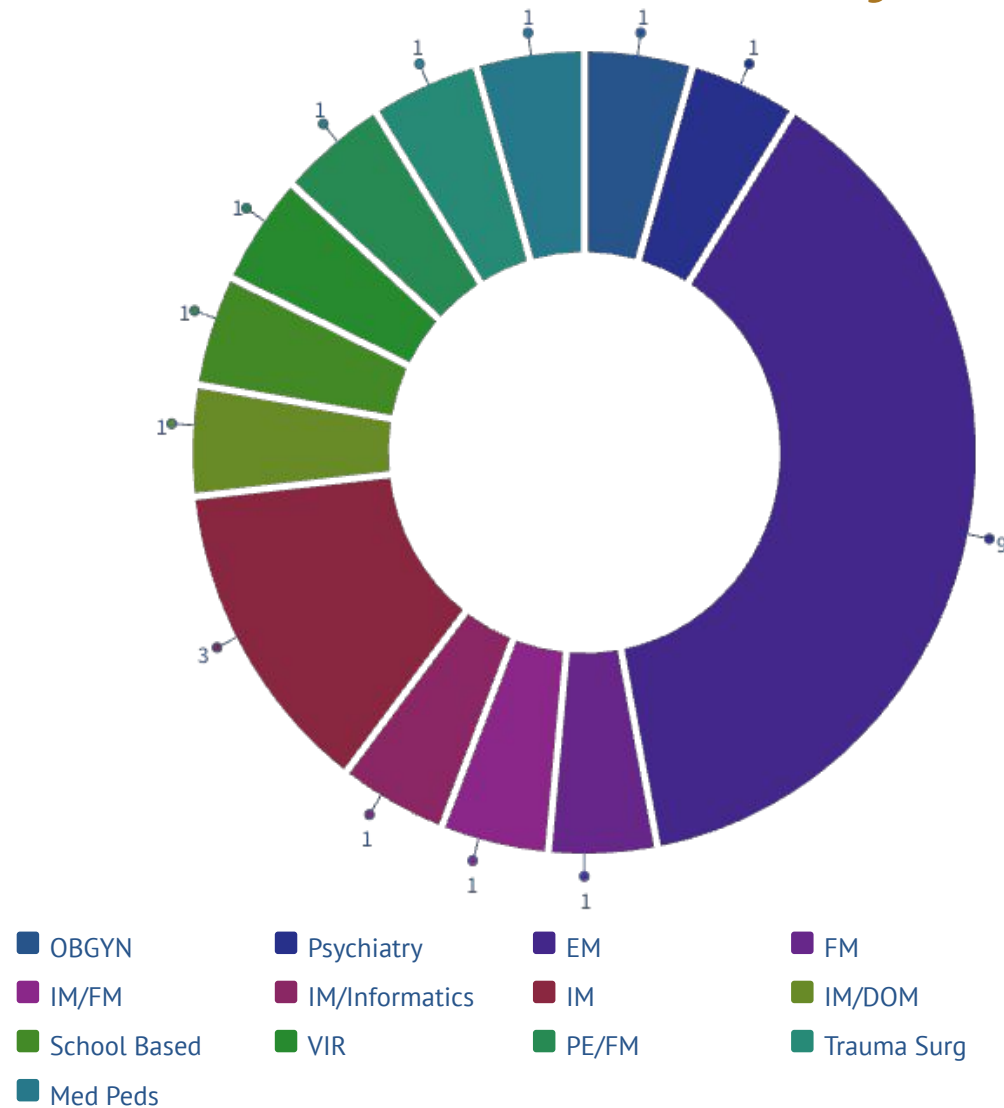

FY2024 Retention & Key Insights—Resident & Fellow Hires

- 1 Internal Medicine Led Hiring**
7 of 19 hires were in Internal Medicine (IM), making it the top specialty and a key recruitment anchor in FY24.
- 2 Med-Peds Had Strong Representation**
3 hires were placed in **Med-Peds**. Suggests strong program alignment or interest in dual-trained providers.
- 3 Emergency Medicine Positioned for Growth**
3 hires in EM. Early signs of an **upward trend—growth** that would later surge in FY25
- 4 Broad but Focused Hiring**
FY24 covered **8 specialties**, with **focused hiring in core areas**. Single hires in OBGYN, Cardiology, and Psychiatry reflect a targeted, need-based approach.

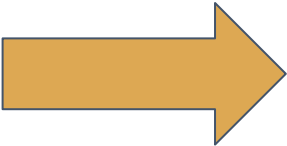

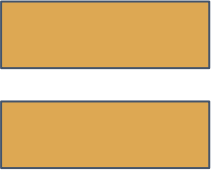

FY2025 Retention & Key Insights—Resident & Fellow Hires

- 1 EM Leads Hiring**
Emergency Medicine had **9 hires**, making it **the top specialty focus** in FY25.
- 2 Expanded Specialty Mix**
7 new specialties were added, showing more specialized and diversified hiring.
- 3 IM Hiring Shift**
Core IM hires dropped, but **new IM-adjacent roles filled the gap**.
- 4 Future Rehire Pipeline**
5 moonlighters entering fellowships increase chances for future attending hires.
- 5 Stable Retention**
FM, OBGYN, and Psychiatry maintained **steady hiring with 1 hire each**.
